

Common Name	Scientific Name (eflora link)	Invasiveness Class
1 Baby's-breath	Gypsophila paniculata	Invasive
2 Bishop's Goutweed	Aegopodium podagraria	Invasive
3 Black knapweed	Centaurea nigra	Extremely Invasive
4 Bladder campion	Silene cucubalus	Aggressive
5 Blueweed	Echium vulgare	Very Invasive
6 Brown knapweed	Centaurea jacea	Extremely Invasive
7 Bull thistle	Cirsium vulgare	Bio-control Available
8 Canada thistle	Cirsium arvense	Bio-control Available
9 Chicory	Cichorium intybus	Very Invasive
10 Common comfrey	Symphytum officinale L.	Invasive
11 Common bugloss	Anchusa officinalis	Invasive
12 Common burdock	Arctium minus	Very Invasive
13 Common tansy	Tanacetum vulgare	Extremely Invasive
14 Cypress spurge	Euphorbia cyparissias	Extremely Invasive
15 Dalmatian toadflax	Linaria dalmatica	Bio-control Available
16 Diffuse knapweed	Centaurea diffusa	Bio-control Available
17 English Holly	Ilex aquifolium	Very Invasive
18 English ivy	Hedera helix	Extremely Invasive
19 Field scabious	Knautia arvensis	Extremely Invasive
20 Giant Hogweed	Heracleum mantegazzianum	Extremely Invasive
21 Gorse	Ulex europaeus	Extremely Invasive
22 Greater knapweed	Centaurea scabiosa	Extremely Invasive
23 Hawkweeds	Hieracium spp.	Extremely Invasive
24 Himalayan balsam	Impatiens glandulifera	Extremely Invasive
25 Himalayan blackberry	Rubus discolor	Extremely Invasive
26 Hoary alyssum	Berteroa incana	Extremely Invasive
27 Knotweed - Bohemian	Fallopia X bohemicum	Extremely Invasive
28 Knotweed - Giant	Fallopia sachalinensis	Extremely Invasive
29 Knotweed - Himalayan	Persicaria wallichii	Extremely Invasive
30 Knotweed - Japanese	Fallopia japonica	Extremely Invasive
31 Leafy spurge	Euphorbia esula	Bio-control Available
32 Marsh plume thistle	Cirsium palustre	Extremely Invasive
33 Meadow goat's-beard	Tragopogon pratensis	Invasive
34 Meadow knapweed	Centaurea debeauxii	Bio-control Available
35 Mossy stone crop	Sedum acre	Very Invasive
36 Mountain bluet	Centaurea montana	Very Invasive
37 Nodding thistle	Carduus nutans	Bio-control Available
38 Oxeye daisy	Chrysanthemum leucanthemum	Very Invasive
39 Plumeless thistle	Carduus acanthoides	Very Invasive
40 Purple loosestrife	Lythrum salicaria	Bio-control Available
41 Russian knapweed	Acroptilon repens	Invasive
42 Russian thistle	Salsola kali	Invasive
43 Scentless chamomile	Matricaria maritima	Very Invasive
44 Scotch Broom	Cytisus scoparius	Extremely Invasive
45 Scotch thistle	Onopordum acanthium	Very Invasive
46 Spotted knapweed	Centaurea stoebe	Bio-control Available
47 St John's-wort	Hypericum perforatum	Bio-control Available
48 Sulphur cinquefoil	Potentilla recta	Extremely Invasive
49 Tansy ragwort	Senecio jacobaea	Bio-control Available
50 Wild carrot	Daucus carota	Very Invasive
51 Wild chervil	Anthriscus sylvestris	Invasive
52 Wormwood/absinthium	Artemisia absinthium	Invasive
53 Yellow archangel	Lamium galeobdolon	Very Invasive
54 Yellow flag iris	Iris pseudacorus	Extremely Invasive
55 Yellow floating heart	Nymphoides peltata	Extremely Invasive
56 Yellow loosestrife	Lysimachia vulgaris	Very Invasive
57 Yellow toadflax	Linaria vulgaris	Bio-control Available
