

FINAL NWIPC 2015 TARGET PLANT LIST

	Common Name	Scientific Name (eflora link)	Invasiveness Class
1	Baby's-breath	Gypsophila paniculata	Invasive
2	Bishop's Goutweed	Aegopodium podagraria	Invasive
3	Black knapweed	Centaurea nigra	Extremely Invasive
4	Black medic	Medicago lupulina	Aggressive
5	Bladder campion	Silene cucubalus	Aggressive
6	Blueweed	Echium vulgare	Very Invasive
7	Brown knapweed	Centaurea jacea	Extremely Invasive
8	Bull thistle	Cirsium vulgare	Bio-control Available
9	Canada thistle	Cirsium arvense	Bio-control Available
10	Chicory	Cichorium intybus	Very Invasive
11	Comfrey	Symphytum officinale L.	Invasive
12	Common bugloss	Anchusa officinalis	Invasive
13	Common burdock	Arctium minus	Very Invasive
14	Common hops	Humulus lupulus	Very Invasive
15	Common tansy	Tanacetum vulgare	Extremely Invasive
16	Curled dock	Rumex crispus	Aggressive
17	Cypress spurge	Euphorbia cyparissias	Extremely Invasive
18	Dalmatian toadflax	Linaria dalmatica	Bio-control Available
19	Diffuse knapweed	Centaurea diffusa	Bio-control Available
20	English Holly	Ilex aquifolium	Very Invasive
21	English ivy	Hedera helix	Extremely Invasive
22	Field scabious	Knaulia arvensis	Extremely Invasive
23	Giant Hogweed	Heracleum mantegazzianum	Extremely Invasive
24	Gorse	Ulex europaeus	Extremely Invasive
25	Greater knapweed	Centaurea scabiosa	Extremely Invasive
26	Hairy bittercress	Cardamine hirsuta	Very Invasive
27	Hawkweeds	Hieracium spp.	Extremely Invasive
28	Hedge mustard	Sisymbrium officinale	Aggressive
29	Hemp-nettle	Galeopsis tetrahit	Aggressive
30	Himalayan balsam	Impatiens glandulifera	Extremely Invasive
31	Himalayan blackberry	Rubus discolor	Extremely Invasive
32	Hoary alyssum	Berteroa incana	Extremely Invasive
33	Knotweed - Bohemian	Fallopia X bohemicum	Extremely Invasive
34	Knotweed - Giant	Fallopia sachalinensis	Extremely Invasive
35	Knotweed - Himalayan	Persicaria wallichii	Extremely Invasive
36	Knotweed - Japanese	Fallopia japonica	Extremely Invasive
37	Leafy spurge	Euphorbia esula	Bio-control Available
38	Marsh plume thistle	Cirsium palustre	Extremely Invasive
39	Meadow goat's-beard	Tragopogon pratensis	Invasive
40	Meadow knapweed	Centaurea debeauxii	Bio-control Available
41	Mossy stone crop	Sedum acre	Very Invasive
42	Mountain bluet	Centaurea montana	Very Invasive
43	Mullein	Verbascum thapsus	Aggressive
44	Narrowleaf hawk's-beard	Crepis tectorum	Aggressive
45	Night-flowering catchfly	Silene noctiflora	Invasive
46	Nodding thistle	Carduus nutans	Bio-control Available
47	Oxeye daisy	Chrysanthemum leucanthemum	Very Invasive
48	Perennial sow thistle	Sonchus arvensis	Invasive
49	Plumeless thistle	Carduus acanthoides	Very Invasive
50	Purple foxglove	Digitalis purpurea	Invasive
51	Purple loosestrife	Lythrum salicaria	Bio-control Available
52	Russian knapweed	Acroptilon repens	
53	Russian thistle	Salsola kali	Invasive
54	Scentless chamomile	Matricaria maritima	Very Invasive
55	Scotch Broom	Cytisus scoparius	Extremely Invasive
56	Scotch thistle	Onopordum acanthium	
57	Spotted knapweed	Centaurea stoebe	Bio-control Available
58	St John's-wort	Hypericum perforatum	Bio-control Available
59	Stinkweed/Pennycress	Thlaspi arvense	Aggressive
60	Sulphur cinquefoil	Potentilla recta	Extremely Invasive
61	Tansy ragwort	Senecio jacobaea	Bio-control Available
62	Tufted vetch	Vicia cracca	Aggressive
63	Tumble mustard	Sisymbrium spp.	Aggressive
64	Western bluebur	Lappula echinata	Aggressive
65	White cockle	Silene latifolia	Aggressive
66	Wild carrot	Daucus carota	Very Invasive
67	Wild mustard	Sinapis arvensis	Aggressive
68	Wormwood/absinthium	Artemisia absinthium	Invasive
69	Yellow archangel	Lamium galeobdolon	Very Invasive
70	Yellow flag iris	Iris pseudacorus	Extremely Invasive
71	Yellow floating heart	Nymphoides peltata	Extremely Invasive
72	Yellow loosestrife	Lysimachia vulgaris	Very Invasive
73	Yellow toadflax	Linaria vulgaris	Bio-control Available
